Trade Fair & Conference

19–20 September 2024
Hall 3, Bombay Exhibition Center
Mumbai, India

Indian Valve Industry - For a Greener Tomorrow

Valve World Expo India 2024

Valve World Expo India is an exhibition and convention for industrial valves and valve accessories. It serves as a pivotal gathering for professionals spanning various sectors, encompassing **Energy - Oil & Gas, Power Generation, Petrochemicals/Chemicals, Water, and Water Treatment.**

Since 2010, the **Valve World Expo** has been held at the Düsseldorf Exhibition Centre as the world's largest trade fair for industrial valves which traditionally hosts 700 exhibitors from 40 countries.

Alongside the expo, conference takes place where top industry experts speak about the different aspects of global valve industry.

After the launch in China, USA, Singapore, the India chapter of Valve World Expo is being launched and will take place in Mumbai on **19 – 20 September 2024.**
